

TOTARA PARK **RIDING FOR THE DISABLED**

April 2008

Hello Everyone

This is just a brief newsletter before the end of term. The last rally days are Monday 14th and Thursday 17th April. The 2nd term commences 5th and 8th May.

The Riding for the Disabled AGM is to be held at the Totara Park clubrooms this Monday evening at 7.30pm. Everyone is most welcome. Wine and Cheese will be served. I would love to meet some of you as I don't get the opportunity with only being at the first ride on a Monday morning.

*You will note the attached notice of a theatre evening at the Howick Little Theatre
"Taking Off" 3rd June 2008 at 7.45pm. Tickets are available by phoning Carole. Contact details on the flyer. I can assure you it is a wonderful Show having seen it some time back. Any of Roger Hall's plays are one 'Big Laugh'.*

At the last committee meeting it was mentioned how lovely it would be to receive some feed-back from either parent's or riders on what a difference riding has made for the rider. It could be just one little thing, like being more confident, concentrating more at school or gaining improved balance. So get out those pens and paper and put something together. The volunteers work very hard planning the programs for the individual and their needs.

Enjoy the school holidays and do not forget to mark your diary for the Theatre Evening.

Rider's Representative.*
