

## 2011 Term 2 Newsletter

I would like to take this opportunity to introduce myself. My name is Emma Williamson and I am the Riders Rep at Totara Park RDA. My daughter Rebecca rides Casper on Mondays. If you have any queries, comments or problems please contact me. If I haven't already done so, I look forward to meeting you at a rally day in the next couple of weeks.

Welcome to any new riders. I hope you are enjoying getting to know your horse and side walkers and to those riders who have been at RDA for a while I hope you are being challenged to achieve new goals.

We have found Totara Park to be a welcoming friendly place where a lot is achieved by very generous volunteers - I hope that your experience is the same. If you do have any concerns or complaints (or maybe the odd compliment) please seek me out or email me and I will pass your concerns on where applicable.

A few reminders:

- Arrive with plenty of time to get helmets fitted so as the rally can start on time and riders can get the most out of the lesson.
- Check on the helmet cabinet door that you are using the helmet that has been allocated for you/your rider.
- Riders must wear sturdy shoes and bring raincoats when needed.
- If you choose to bring food for horses it should be put in the bucket in the clubrooms. This food will then be given to the horse at the end of the rally. Feeding horses following rides is discouraged.
- Term 2 fees are now due and invoices will be sent out soon if you have not already paid these.

If your contact details change please let us know so as we are able to keep you up to date with what's going on. Also if you are not the person bringing the rider and your rally is cancelled, please let the person bringing know as soon as you know, so as they can plan their day.

See you soon at Totara Park RDA
